JEFFERSON TOWNSHIP

SIGLER CEMETERY

Revised July 1997

Located two miles east of Richmondale on the north side of Sigler Road, northwest of the intersection of US 35 with Limerick Road. In 1875, the 163 acre quarter-section on which it was located was owned by Adam Sigler who was buried in the cemetery in 1884. In the 1980s, the earlier road in the vicinity of the graveyard was bypassed with a new four-lane US 35 and the old road was renamed Sigler Road. The cemetery is still in use. There are a great many small old stones which are severely weathered and no inscriptions are visible.

Copied June 22, 1971, by Robert Mankin. The following is a July 1997 copy by Bob Casari. Read from the entrance drive east to the east side of the cemetery.

Harriet,

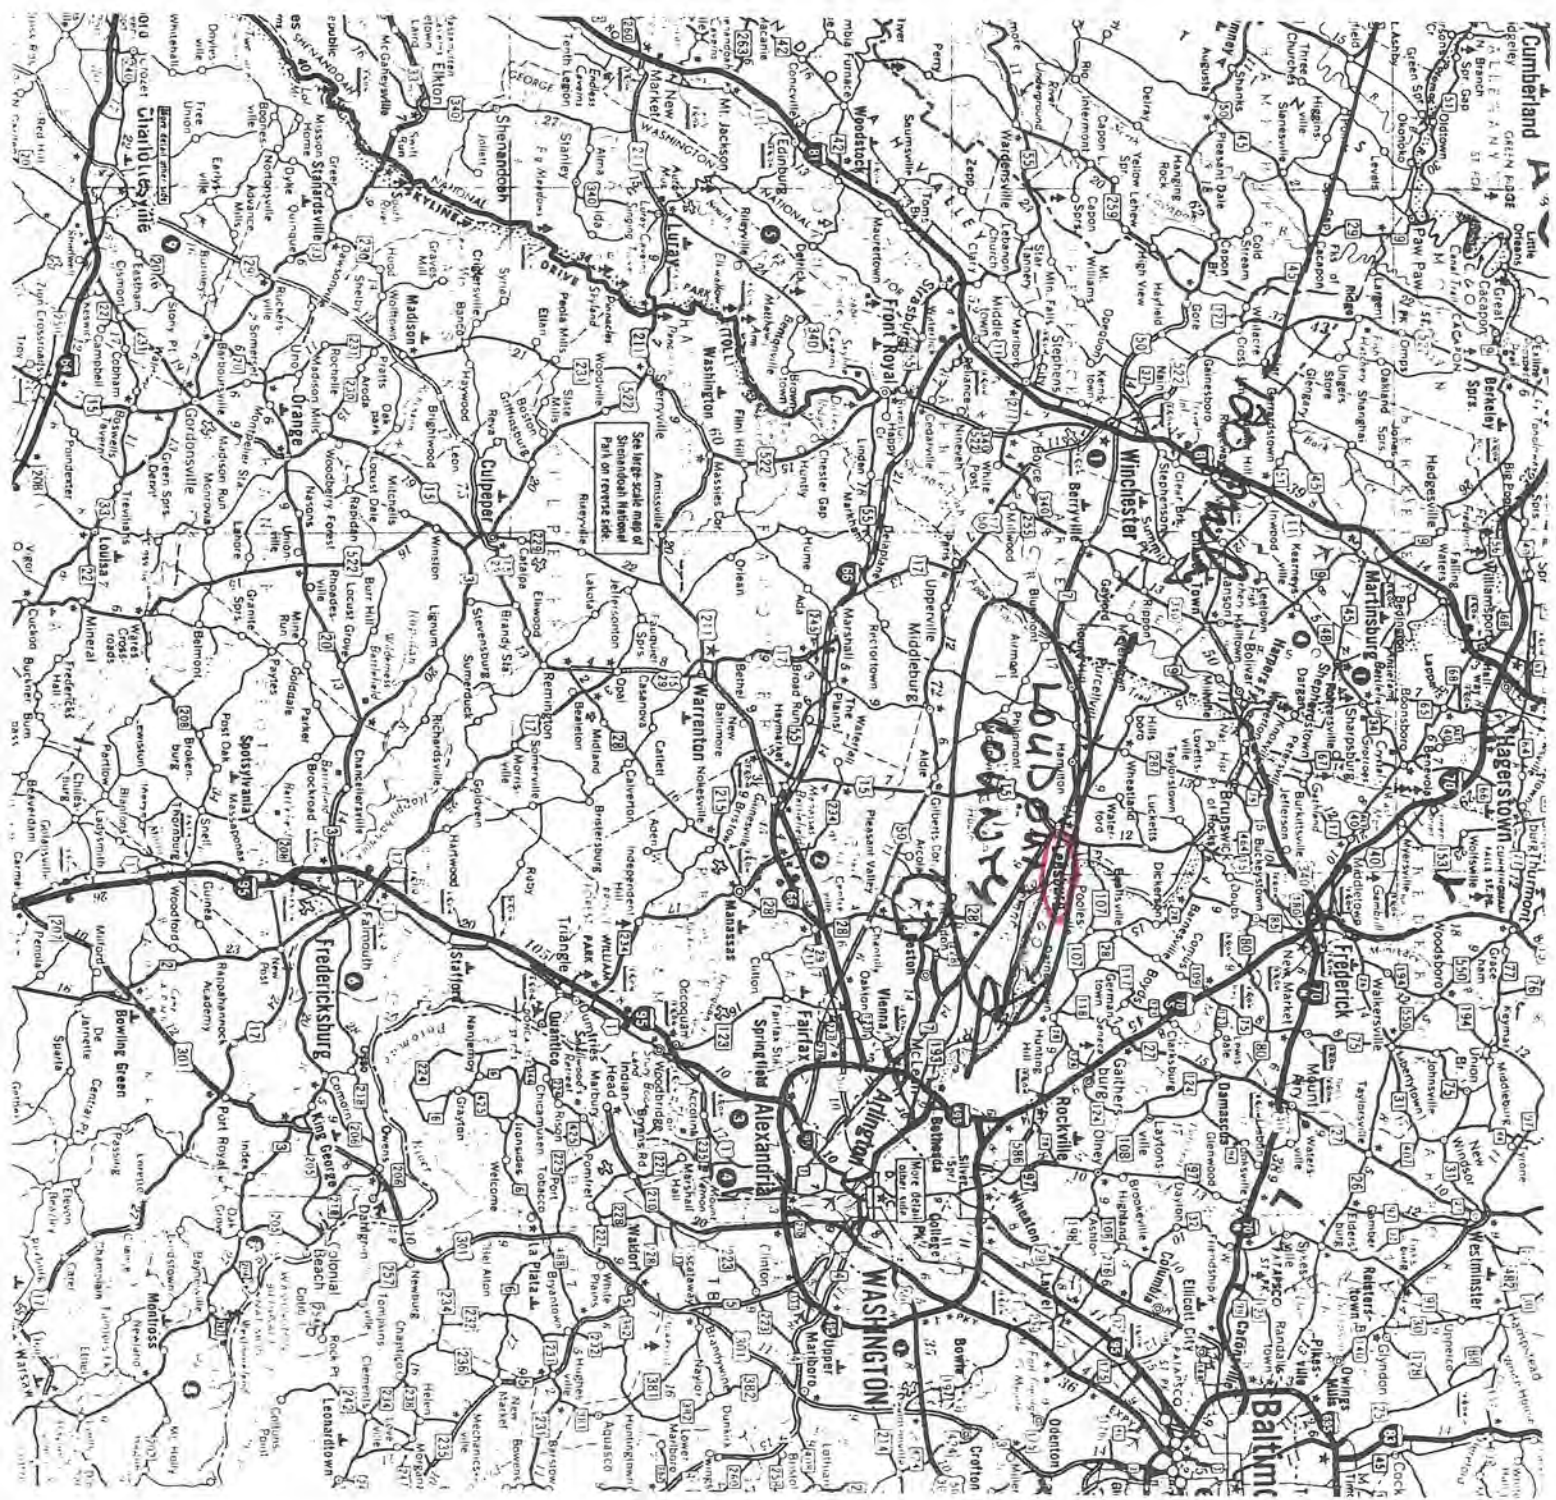

Jack asked me who I have as the parents for Martha "Patsy" Reese. I have Samuel P. Reese and Margaret Shaw, daughter of Rev. William Shaw/Charlotte Trimble. This is according to John Elmer Sigler in an e-mail dated 10 Mar 1996.

The last two images came through fine, except that they were very large as before. Thanks for sending them.

Charley

Birth: 1736, Germany
Death: 1817

Jacob Sigler and brother John were previously in Loudoun Co, VA as early as 1767 (Possibly Waxpool SE of Leesburg).

They arrived unknown from Germany. John's family settled in Barton MD, WV, OH, MT while Jacob's family went to NC, TN, KY, TX.

There is a photo of Jacob's grave on web site that was taken many years ago..I don't know when: http://www.williesigler.com/dg1-jacob_and_margaret.htm

I do not have copyright permission to add it here. Perhaps the owners of that site can add it.

Compare my photo taken 5/26/2008 with web site above.

Interesting Facts:

9/19/1767 Loudoun County VA: Jacob Sigler witnesses/signs deed for Kitchen Prim assigning Anthony Russell to be his attorney.
9/17/1827: Iredell Co, NC. Samuel Wales (executer to Jacob Sigler's estate) sells property to Charles Russell

Burial:

Subject: Some Sigler Relatives - especially for you

Jack,

I got the following message on my return from California. I sent him a note, asked for his address, as I figured you'd be interested. Sent him the ancestors of his family - as his ancestor is a son of George Thomas Sigler, so comes from your particular line of Siglers. I've heard you talk so many times about the Siglers from Montana that I know that you might want to get in touch with this fellow, and I felt you might be interested when he gets to Maryland hunting the ancestral habitats!

The reply that I got today (there was a copy of it also sent to another individual, a Chris Sigler...)

What a load off of my feeble senior citizen mind.
The two of you do not know how many hours I have spent

chasing false leads and bad information. Even thru the
Churches records it was a blind chase.

For your Information;

John William Sigler

1415 W. Cienega Av.

San Dimas, Ca. 91773

(909) 599-3189

(909) 394-0506 Fax.

I would also offer a small news item about Merrils

Wife Verna E. Sigler which changes the date of

Merrils

death to April 1942.

I also remember a Lydia Sigler who must have been
married to one of Uncle Willies boys.

We are planning on leaving home shortly after
Sept. 11. We are planning a stop at Ft. Hood Tx. for a
couple of days, then on to Atlanta Georgia to visit a
grandson and his family. Then north to Maryland where
we will spend the most time in the major family areas.

Chris what part of the country do you live in? My
brother Bob moved back to Montana about 8 years ago &
has a piece of land on the Indian reservation at

St. Ignatius just north of Missoula. He also has a
son John Bradford who lives here in California and
appears to be confirmed batchler. So this has been a
major concern of mine that we are the last on our
side.

I have aa GEDCOM program on my computer but it is not
in software package. Would that work?

I have amazed my grandkids and great g kids with an
explanation for my strange behavior was due to the
fact
my forebears were probably rednecks from the hills.

Many-Many Thanks;
John

Bernie is my brother, Chris is my nephew. There is also a gentleman named Charles Bird from Canada who seems to have a great deal of information on the Sigler family. I never knew my grandfather since both he and my grandmother died before I was born. My Dad, Glenn Everett, made them seem very real, however with all the stories he told. Bernie, Chris, Suzie (my sister's daughter) and I seem to be the ones most interested in trying to get this information figured out.

Thank you for responding. I'm finding family I never knew I had. Perhaps the most interesting story about that is that my husband and I were traveling in South Eastern Ohio, and low and behold both his name and my maiden name starting showing up in telephone directories and cemeteries. Seems that both of our families were there, though the relationship may be very distant. I knew that some of the Sigler family traveled to Ohio, but I wasn't sure where. It seems many went to Megis County Ohio.

I will get my family information together this week and will share with everyone.

Nice to meet you. Did you meet our cousin ^{Jack} ~~Sam~~ Andrews? He knows where the original family farm was, etc.? He also had some interesting pictures that he showed me.

Anne Rutherford

Hi Anne,

Thanks for replying and I look forward to your information next week. I would also be interested in knowing exactly what you found on the John Sigler from the Northern Neck, around 1760. I haven't come cross that before. I think that there is a reasonable possibility that John was an indentured servant but have no proof. Why do you feel that he was? I know that many of the Palatines of that time came via England but have no proof that our John was part of that group. Wives at that time were often

referred to only by their given name - I suppose that is better than the way wives are treated in Afghanistan - but golly it sure makes tracing them difficult. I am adding below all the information that I have on our John. A lot of it is straightforward but some is pretty farfetched. Your comments would be appreciated.

A summary of information follows. John Sigler was probably born in the upper Rhine River area of Germany sometime between 1733 and 1736. He may have arrived with his parents, whose names are as yet unknown. John appears to have had a brother Jacob as both of their names appear in Tax and Deed records in Loudoun Co., VA, in the late 1750's. John married Elizabeth (birth date and place and parents unknown) about 1758, probably in Loudoun Co., VA. John and Elizabeth's 12 children were born in Loudoun Co., VA, between 30 Aug 1759 and 27 Jan 1785. John is in 1782, 1783, 1786 and 1787 Censuses of Loudoun Co., VA, at which times he was a farmer with cattle and horses. John appears not to have fought in the Revolutionary War of 1777-1781, though he provided support to the American side through a donation of 275 pounds of beef. It is not known where in Loudoun Co. the John Sigler family lived but they may have been friends and neighbors of the Cornelius Broadwater family who lived near Carter's Mill, about 6 miles below Leesburg, Loudoun Co. John appears to have lived in Loudoun Co., VA, probably in the Leesburg area, at least until 1787 as he is in the 1787 Loudoun Co. Census. John, his wife, and at least his two oldest sons Adam and Jacob appear to have started moving west together in 1787. Slavery occurred in Virginia at that time and the Siglers may have desired to move to an area where it was not allowed either because they did not believe in it or because few jobs were available. The Sigler group had reached Westernport by 7 Dec 1787 as that was where Jacob's son Philip was born on that date. John farmed beside Georges Creek, near Barton, north of Westernport. In 1801, he received title to Military Lots in that vicinity, the properties being a 199 acre parcel called "Pleasant Hill" and a 223 acre parcel called "Seigler's Farm". John sold the former to John Dawson for \$1100 according to a deed dated 12 Oct 1813; and the latter to Peter Neff for \$1400 in a deed dated 23 Jun 1815. John died in 1816, after which time his estate was divided among his children according to a preliminary Account dated 9 Jun 1818 and a final one of 10 Jun 1828 which lists all of his children, the Administrators being John's sons Adam and Jacob. John's grave site is unknown. It is possible that it was marked with a simple field stone.

Although there is no proof, it is thought that either John or his father were part of the Palatinate movement from Germany. A search through Filby & Meyer, 1981, Passenger & Immigration Lists Index, 3 vols., revealed a number of Sigler (or variant spellings) emigrants from Germany but none of them were our John, although his father may have been there. Generally only heads of families were listed.

Sager, Johan, n.a. (no age mentioned); Philadelphia, Pa 1749 (Rupp, A Collection of Thirty Thousand Names, p 200; Strassburger, Pennsylvania German Pioneers, p 401) [P.W. Filby & M.K. Meyer eds., Passenger & Immigration Lists Index, 1981]. This could conceivably be the present John Sigler.

George SIGLER, born 1710, married Elisabeth SEYLER, children Rachel (born 1743, married Col. Abraham Bird), Hester (born 1750, married ? Brady), Michael (born 1754, married Mary PENNYWAITT 2 Jun 1792, died 1833), John (born 1757), Adam (born 1759, married Elizabeth Michael, died 1849), Jacob (born 1760, married Mary Michael); died 1765, Fred CO,A [xeroxed page from files of John Morgan SIGLER, per John Morgan SIGLER's son John Elmer Sigler, in 14 Mar 1996 e-mail to Charles Bird]. Note: the origin of this document is unknown. John Elmer SIGLER mentions that it was not in his father's writing. Both Mrs. Alana Bauman and Mrs. Patricia A. Shaw [e-mails of 12 Feb 1997] feel that the original source may have been Ruth Gaylord Diffenbach who carried out research in the 1930's when resources were not as available as they are now. Both Alana and Pat feel that the parents of the Adam and Jacob mentioned in this paragraph were John Sigler/Elizabeth,

6/8/98

- Mr John Jones, night agent at the B&O depot, who with his wife and family have been spending time in Pennsylvania, returned home
- Frank Williams, a colored amateur detective spotted in Cumberland Oct. 24 four negroes implicated in the killing of Mack McKenzie at Hyndman, Pa., Monday night. The negroes were in a saloon there. Williams beckoned one of them, whose nickname is Original Kid, and told him he was being shadowed, advising him to accompany him in order to escape. Williams piloted his man to the police station. The other three negroes, one having \$40 on his person, supposed to have been taken from McKenzie, escaped through the back door. One negro tripped and several policemen fell over him, but he gave them the slip. The three were chased by about 200 citizens. Each carried two revolvers which they did not attempt to use. They waded through the mill race and escaped. A negro who was arrested in South Cumberland in the morning and one of the men held McKenzie while Western Red, one of the negroes who escaped today, pumped lead into his body. The two men who were caught were taken to Hyndman
- Mr John P. Gilmore, an old and respected citizen of Piedmont died Oct. 20, 1900 after about two weeks illness of paralysis aged 66 years. Mr Gilmore was born in Ireland and came to this country when about 18 years of age. The greater part of his life was spent in the employ of the B&O railroad company. He leaves a wife and eight children: Michael and Mrs Kate Greenwade of Pittsburg; Mrs Daniel Moran of Franklin; Misses Bessie, Mamie, Margaret, John and Timothy of Piedmont and a sister Mrs Patrick Laffey of Frankville. The funeral took place from St Peters Catholic church Monday. The pall bearers were John and Michael Gilmore of Keyser; John, William, and Daniel Laffey of Frankville; and Timothy Gilmore of Piedmont. Those who attended from out of town were Mr and Mrs James Laffey, Mr and Mrs Patrick Laffey of Frankville; Mrs M. Melody and daughter Mary, Messrs Michael and John Gilmore of Keyser; and Mr George Kane and sister of Cumberland.
- The funeral of Mr E. W. Lippincott took place at Grafton last Sunday. Mr Lippincott was born in New York city and came to West Virginia prior to the Civil War. He was one of the most skilled mechanics in the country. His wife, who died several years ago in Piedmont, was a sister of Mrs J. C. Kuhnle of this place. He leaves three sons, one of whom is Rev. Charles W. Lippincott, is an eminent divine in the Presbyterian church in Chicago. He has two single daughters, Miss Elsie of Chicago and Miss Grace of Baltimore and one married daughter in Grafton. Mr Lippincott was formerly superintendent of motive power of the West Virginia Central and Pennsylvania railway and for many years an employee of the B&O railroad at Piedmont, Cumberland, Grafton, Wheeling, and other stations. He died at the residence of his son Mr H. W. Lippincott in Baltimore after a lingering illness of several weeks. He was 69 years of age

Dear Mr.Sigler:

You will have noticed already that this letter is addressed to you by another Rev.Sigler,being in the Belgian Congo, as a missionary. Permit me to introduce myself ; My home is in Montana,where my parents still live.(608 Spruce St.Anaconda Mont.) My Father came to Montana in 1900 from Barton Maryland where he has never returned to. His name is William Stephen Sigler. He had a brotn. John too,who accompanied him to Montana where he raised a family and has of recent died. Their Fathers name was George Sigler and is buried at Westernport Maryland 1830-1874.His brothers and sisters were as follows EllenSigler Rhinehart,Mary Sigler Taylor,Jacob Sigler, born 1813-(?); Jane Sigler Michael 1817-1875 ; Otha Sigler 1818-1860; Jefferson Reese Sigler 1820- ? ; Silas Sigler 1821- ? ; Phillip Sigler 1822- ? ; Martha Ann Sigler Potter 1824- ? ; and then Goerge who is my Grand-father. These all origionally lived just out side of Westernport Barton Maryland on what is called Franklin hill,many of them went into West Virginia which my Grandfather also done but returned to Maryland What I am writing you for is to know if by chance you may be of this leniage and able to give me a bit of information about the Siglers in West Verginia.

The Father of this large family,of whom my Grand-father was a member was a Phillip Sigler 1787-1809 who married a Martha Reese 1790-1845,His brothers and Sisters were John Sigler 1783- ? ; Peter Sigler 1785-1809 ; then Phillip ; Mary Sigler Heckner 1790- ? ; Nancy Sigler Lockridge 1796- ? ; Elisabeth Sigler Bailly 1802 - ? . These were all the children of a Jacob Sigler 1766-1841 who also had a brother George who went to Ohio. This is a lot of names and dat and really mean very little , how ever I have many interesting storie of this family and am trying to collect as much as I can upon the family to preserve it for others.

I made a trip through West Verginia in '33 at which time I also visited Maryland where they informed me much about certain of the Sigler family in West Verginia but I did not have the time to go back their. I have quite a number of old photograpns (tin types) and copies of old wills etc.which may be of interest to you if you should belong to this family.

I am now on my second term in missionary work . My people have all been Methodists,though I am not connected with the Methodist board. I would be very happy to hear from you if only a card. My father sent me a clipping from the news paper which gave your name and this address,thus my inquisitiveness.
